

SPRINGFIELD ARMORY®

DEFEND YOUR LEGACY™

JOB POSTING

Direct Link: [Engineering Department Application](#)

Title: CAD Drafting Technician

Status: Full-Time (multiple)

Description Summary:

Springfield is accepting applications for CAD drafting personnel assigned to our Engineering Department to support research and development (R&D). Provides design, drafting, and organizational support as requested using SOLIDWORKS and ASANA to support the success of the Engineering Department. Responsibilities include but are not limited to the following.

- This position is accountable for completing assigned project work.
- Works with R&D gunsmiths to document technical data to support creative process and establish department records of practical design.
- Calculates dimensions, sketches ideas, designs mockups, and create CAD Files.
- Works with purchasing and internal R&D to implement prototyping strategies to move design to product.
- Ensures accuracy of product spec sheets through participation in review processes.
- Uses company document control practices.
- Works intra-departmentally to facilitate manufacturing process.
- Updates technical files in the PDM Minor Rev Change database.
- Updates technical files in the PDM Final Print Adjustment database.
- Supports external department PDM requests.
- Updates CAD drawings (includes markings) as part of the New Product Development (NPD) process.
- Develops all preliminary excel style Bill of Materials (BOMs) as part of the NPD process.
- Ensures Manufacturing and Product Development BOMs are aligned.
- Participates in test protocols.
- Cognizant of government regulations that effect the design and distribution of new product as they impact design and production.

Requirements:

Requires an Associate's degree in Computer Aided Drafting, basic 3D drafting skills, and AutoCAD experience. Proficiency in Microsoft products, ASANA, and SOLIDWORKS is preferred. Demonstrated work history (2 years) to include proficiency and experience with firearms is desirable This position is

trusted to handle and protect company-private information: discretion, integrity, and ethics nonnegotiable.

Compensation:

Springfield offers a competitive salary and extensive benefits package which includes a generous, comprehensive, and affordable health plan in addition to dental, vision, life, disability, flex, 401(k), and other options.
