Title: Facilities Maintenance and Safety Manager

Status: Full-Time

Description Summary:

Springfield is accepting applications for a Facilities Maintenance Manager to ensure the plant maintains an orderly and safe working environment. Will be responsible for directing daily activities and ensuring preventive maintenance schedules in addition to the completion and filing of mandated records and reports. This position works with management staff, vendors, and government entities to accomplish and implement programs and actions to ensure plant maintenance and employee safety.

- Supervises, plans, schedules, and prioritizes work and provides guidance.
- Collects bids and coordinates outside contracting services as needed/required.
- Continuously improves maintenance programs and oversees the scheduling of preventive maintenance.
- Initiates safety throughout the plant and participates in training.
- Stays updated and informed of all federal, state, and local regulations to ensure environmental regulations are upheld. Requests permits and completes reporting as necessary.
- Responsible for upholding OSHA regulations.

This position works with minimal supervision, may provide oversight for contracted workers, and works beyond scheduled hours to accommodate production shifts and weather. Physical description includes standing, heavy lifting, reaching, stooping, fine hand manipulation, and reading/writing skills necessary to perform functions like lock out/tag out and other measurements required for recordkeeping.

Requirements:

Appropriate education, certification, and experience working as a Manager in Maintenance/Plant Engineering in a manufacturing environment is critical. Training and familiarity with OSHA regulations as they pertain to maintenance operations in addition to hazardous materials awareness training is expected. Skills required include: manual dexterity, problem-solving, and technical. Must be cognizant of safety regulations pertaining to the handling and use of firearms. This position is trusted to handle and protect company-private information: discretion, integrity, and ethics nonnegotiable.

Compensation:

Springfield offers a competitive salary and extensive benefits package which includes a generous, comprehensive, and affordable health plan in addition to dental, vision, life, disability, flex, 401(k), and

other options. To learn more about Springfield Armory products and services visit www.springfield-armory.com.
