

SPRINGFIELD ARMORY®

DEFEND YOUR LEGACY™

JOB POSTING

JOB POSTING

Title: IT Support Specialist

Status: Full-time

Description Summary:

Springfield anticipates an opening for a qualified applicant to provide operational and technical support to ensure the physical infrastructure for daily business operations. Central responsibilities are to assist end users, maintain workstations and test applications. Requires the ability to:

- repair, maintain, and troubleshoot hardware, software, operating systems and servers.
- provide technical assistance, training, and support to the non-technical users.
- test software applications as directed and document results.
- lift/move equipment and assist with cable maintenance and repair.
- multitask and prioritize projects, tasks, and schedules.
- follow safety guidelines and work in a manufacturing/office environment.

Must possess excellent communication skills and the ability to develop cooperative working relationships.

Education and Experience:

Appropriate degreed education is necessary. Proficiency to include: windows-based operating systems, Microsoft Office software, wireless technology (including communication devices), and IP phones (CISCO). Network configuration programming, object-oriented base language, web development (*ASP, HTML, Flash, JavaScript*) and/or other IT skills useful. Previous related work experience, demonstrating a proven responsible work history preferred.

Compensation:

Springfield offers a competitive compensation and extensive benefits package which includes a generous, comprehensive, and affordable health plan in addition to dental, vision, life, disability, flex, 401(k), and other options.
