

SPRINGFIELD ARMORY®

DEFEND YOUR LEGACY™

JOB POSTING

Title: Manufacturing Engineering Quality Tech
Status: Full-Time

Description Summary:

Springfield is accepting applications for a Manufacturing Engineering Quality Tech assigned to our Engineering Department to support research & development and production. This position will work to ensure quality standards on new and existing products. The applicant will be responsible for measuring and reporting on products at various stages of production as well as creating quality documents and communicating with vendors.

- Develop and Implement Inspection reports.
- Document and Report inspections of incoming New product.
- Communicate results of inspections with vendors.
- Make recommendations to engineering on acceptance or rejection of parts.
- Evaluate vendor First Article Inspection Reports (FAIR).
- Develop workflow for new product.
- Work closely with engineering team to help diagnose solve problems.
- Work closely with the R&D team to document quality related items on new product
- Document technical, quality, and manufacturing issues related to new product launch

Requirements:

Appropriate education (B.S., Engineering/Tech) and demonstrated work history (5 plus years experience) expected. Required skills, abilities and experience must include:

- Read and interpret technical drawings.
- Thorough understanding of GD&T.
- Advanced understanding of Inspection Tools (height gauge/caliper/optical comparator).
- CMM Programming experience.
- Understanding of Quality concepts.
- Organizational skills.
- Flexibility – manage multiple tasks.
- Attention to detail.
- Use MS Office (Excel/PowerPoint/Word)

- Good written and verbal communication
- Experience with document control and file management.

Must be cognizant of safety regulations pertaining to the handling and use of firearms. This position is trusted to handle and protect company-private information: discretion, integrity, and ethics nonnegotiable.

Compensation:

Springfield offers a competitive salary and extensive benefits package which includes a generous, comprehensive, and affordable health plan in addition to dental, vision, life, disability, flex, 401(k), and other options.
