JOB POSTING

Direct Link: [Supervisor Application](#)

Title: Machine Shop Supervisor

Status: Full-Time

Description Summary:

Springfield is accepting applications for a Machine Shop Supervisor to oversee second shift operations. Will take active role in growing shop that consists of CNC mills, lathes, drill presses, lasers, and robotics. Responsibilities include, but are not limited to the following.

- Coordination: Facilitates daily work, maintains control of labor and materials to ensure performance and production goals.
- Communication: facilitates interaction between shifts and departments. Trains and mentors new employees. Motivates existing personnel. Implements change and innovation.
- Administration: carries out responsibilities in accordance to applicable laws and company policies and ensures the safety and organization within the shop.
- Supervision: Schedules work, approves time, completes performance appraisals, and ensures a safe and productive work environment

Requirements:

Appropriate education and demonstrated work history (5 years) expected. Experience with CNC programming is helpful. Training and familiarity with OSHA regulations as they pertain to machine shop operations is expected. Skills required include: CNC machining, machine set-up, and job shop production. Must be cognizant of safety regulations pertaining to the handling and use of firearms. This position is trusted to handle and protect company-private information: discretion, integrity, and ethics nonnegotiable.

Compensation:

Springfield offers a competitive salary and extensive benefits package which includes a generous, comprehensive, and affordable health plan in addition to dental, vision, life, disability, flex, 401(k), and other options.
